

Craig Wood Golf Course

Named after local golf legend Craig Wood

Volume 1, Issue 2

News from the Pro...

Invitations for the Craig Wood Invitational will be made soon, and I will have them available in my office for those members who typically play in the event.

The dates for this year will be the September 11-13. Please stop by early to fill out your invitation so we have a jump on this years event.

Also I would like to congratulate NNY Senior men on their second place finish in Prescott this month. We will be hosting the Senior Men tournament on Aug 11th. If you would like to come out and support the Sr feel free to do so.

With this years club Championship we will be now reintroducing the preferred parking spots for the

Club Champions of the club.

With the rain now stopping for the time being I hope you can look around and see some of the new projects that have and will be going on at the course. Please feel free to go upstairs on our new stair case and try the special tee mat on the fourth hole. We ask for your patience with some of tees as we make the course better for all.

We also will need to close the bathrooms in the near future for repairs. The restrooms upstairs will remain open.

The junior clinic is winding down. We will be having two or three more classes and giving the kids some time off.

***You may now book tee times online! Stop in to the Club House to obtain your member number. Then, you may go to**

Special points of interest:

- Call 523-9811 to book tee times
- Visit the Pro Shop to view the Craig Wood 2008 Hall of Fame crystal!
- Don't forget to stop in for a bite at the Caddy Shack Restaurant!
- You may purchase gift certificates right at the golf course
- Be sure to check those grips to see if they are in need of replacement!

News from the Superintendent...

Lets all hope that August brings us more summerlike weather!

As you all know the golf course is lush and soft from this summers rains.

This does have its drawbacks. Shorter drives. Less roll and many more ball-marks on the greens

and divots on the fairways. It seems lately that fewer and fewer are repairing their ball marks and replacing their divots. Please help us by replacing and repairing yours and one more.

Thank you and have a great August!

~Lynn Wilson
