

Craig Wood Golf Course

Town of North Elba

Volume 1, Issue 1

News from the Pro...

I would like to welcome you all back and hope you all had a wonderful winter— wherever it may have been! We have a great summer planned for the golf course this year. Our schedule of events is getting full, as always, with annual events. This year a fellow PGA teaching professional, and friend, Jeff Nackel will be working with me to offer **Ladies group lessons** for 4 weeks. The lessons are on **Tuesdays, June 2, 9, 16, and 23**. There are two time options: **10:30am– 11:45 am and 6:00pm– 7:45pm**. The cost is \$120.00 for the series. Jeff will also be available for individual lessons on those days.

As always, you may give me a call at **523-9811** to get that winter rust off with a

quick tune up lesson.

Callaway Golf will be returning for a demo day on **June 27th**. Callaway tech. reps will be on site for assistance with club fitting, as well as special pricing of clubs. **Callaway is currently running a special:** buy a driver and get a fairway wood or hybrid for \$1.00!

Please check the calendar outside the pro shop for dates of upcoming events and course closures. Also, please see the box to the right for upcoming events this month.

I look forward to seeing you all out on the course!

~Jim Wasson

News from the Superintendent...

After a dry, windy and cold March, April and May, let's hope that June brings the start of summer and the growing season. May certainly was not what we needed to start the repair of ice damage on our greens and fairways. As the soil temperatures rise we are aggressive in renovation and repairs to the thin turf areas. As always your patience is appreciated.

As most of have noticed by now we have made a few improvements to the course this spring. Your positive com-

ments are appreciated by all of us on the maintenance crew. Jim and I have spoken about continuing to enlarge the forward tees to allow for more space for red and gold tees. We have also discussed adding a couple longer tees on #8 and #9. These improvements will move forward as time permits.

Congratulations to Larry Barry for his hole in one last Saturday on #13. The maintenance staff enjoys hearing about a great round or a great shot!

Matt St. Louis, who has worked for us for 6 years, the last two as a mechanic, has left us for the U.S. Coast Guard. His brother Andrew has replaced Matt on our staff.

This is a great time to start controlling dandelions. An early morning treatment with a heavy dew increases success rates. A second fall treatment is also a good thing. **THINK WARM!**

~Lynn Wilson

Special points of interest:

- **Call 523-9811 to book tee times**
- **Visit the Pro Shop to view the Craig Wood 2008 Hall of Fame crystal!**
- **Don't forget to stop in for a bite at the Caddy Shack Restaurant!**
- **You may purchase gift certificates right at the golf course**
- **Be sure to check those grips to see if they are in need of replacement!**
